

KEY WEST CUISINE IS DEFINED BY SEAFOOD, AND NO ONE SERVES SEAFOOD LIKE ALONZO'S OYSTER BAR.

Located at 700 Front St., at the head of the historic Key West Bight, Alonzo's Oyster Bar is on the ground floor of the A & B Lobster House.

Alonzo's is the oyster connoisseur's heaven! The only oyster bar in town serving a variety of Atlantic and Pacific oysters. All are served freshly shucked, baked or batter dipped. Sample one of our gourmet dishes made with the native Key West shrimp, freshly shucked clams or lobster.

The restaurant building sits near the site of the old Thompson Shrimp Company. After local sailors discovered that the native pink shrimp dined in offshore waters at night, they made their fortunes harvesting the delicacies, turning local shrimp into pink gold.

There's a wide variety of draft beers and a generous selection of North American wines. After dinner enjoy a cigar or an after dinner drink in the upstairs Berlin's Bar. Soft leather chairs await you.
